

# Chime and Chime Again

The Houston Bronze Ensemble, Inc. is once again asking your support for the purchase of equipment. The purchase of the lower 7th octave of chimes is the most recent acquisition. These new instruments add great depth to the sound the ensemble produces and expands the performance capabilities.

With a tax-deductible gift to *Chime and Chime Again* (HBE is a 501c3 organization), you can honor a loved one, remember someone special, show your appreciation to a deserving person or simply give in support of the cherished art of ringing!

We appreciate and thank you for your patronage through monetary gifts and concert attendance. We now ask for your continued support in this special fund-raising campaign, *Chime and Chime Again*.

Ask any ensemble member how to participate!

The categories for giving are based on the quarter peals of the Westminster Chime.

1st Quarter \$100  
Half Hour \$250  
3rd Quarter \$500  
Full Hour \$1,000
